

Fusion

Versatile & Low Maintenance

Sail singlehanded with just the mainsail, add a jib for crew, use a Pro mainsail for more power and response, Fusion can even be rowed when there's no wind!

- Removable jib & simple reefing mainsail – All weather sailing
- Pro mainsail – For more power & excitement!
- Gennaker – For experienced sailors & racing
- Rowing capability – Multi functionality
- Car topable – Simple transport solution
- ✓ Self-flushing mast step – Durable
- ✓ Stackable – Ease of storage

Fun & Cool

Style, ergonomic excellence and what we like to call “simplicity redefined” allows Fusion to deliver the purest, most enjoyable, carefree sailing experience possible.

- Large deep, comfortable cockpit - Ideal for adults or kids
- Large spray rails & self-draining cockpit – Dry
- ✓ Modern styling & design
- ✓ Integral bow & stern handles – Ease of lifting & recovery
- ✓ Integral cargo system – Store clothing & equipment

Safe

Durable, safe, well priced and virtually maintenance free, we excuse ourselves for asking the question.....”What’s not to like?”

- Stable, predictable & forgiving – Confidence building
- Easy to right – Easy to boarding after capsize
- High boom – Large head clearance
- Sealed topmast – Slow capsize inversion
- ✓ Towing bridle points – Bow & stern
