

Inspired by customer demand and the global success of its groundbreaking sibling, **FII** is every bit a Fusion, just larger!

Large enough for up to 4 crew, size has brought class leading comfort & stability while **FII**'s platform cleverly remains small enough to be handled on and off the water by one adult.

FII remains unbelievably well balanced, mannered, and predictable in all configurations to deliver an extremely safe and engaging sailing experience.

Versatile, Stylish & Safe:

- 1 to 4 Crew
- Removable jib & simple reefing mainsail – All weather sailing
- Large deep, comfortable cockpit - Ideal for adults or kids
- Modern styling & design
- Large spray rails & self-draining cockpit – Dry
- Gennaker Option – For more experienced sailors and racing
- "Easy Keel" Option – For additional stability and a relaxed cruising feel
- Integral bow & stern handles – Ease of lifting & recovery
- Integral cargo system – Store clothing & equipment
- High boom – Large head clearance
- Towing bridle points – Bow & stern

The LARGER Fusion!
